Re: Rockaway Borough Well Field Superfund Site  
Morris County, New Jersey  
Administrative Order on Consent, Index No. II-CERCLA-95-0104

Dear Mr. Isabel:

Enclosed you will find a revised Bill for Collection No. 022601T083 (Revised Bill), along with an itemized cost summary. This accounting includes costs defined by "Future Response Costs" in the above-referenced Administrative Order on Consent (AOC) associated with the third operable unit (OU3) Remedial Investigation/Feasibility Study (RI/FS) performed at the Klockner property for the Rockaway Borough Well Field Superfund Site. However, the Revised Bill reflects changes the U.S. Environmental Protection Agency (EPA) has made to the earlier Bill for Collection, dated September 10, 2001. The initial Bill was for a total of \$46,776.18. On October 26, 2001, Klockner and Klockner (Klockner) sent a letter to EPA acknowledging its payment of \$32,776.18 but contesting the remaining balance of \$14,000.

After reviewing the Bill, EPA has subtracted \$6,652.50 from the remaining balance due of \$14,000. Although a strict reading of the AOC could allow EPA to pursue those costs, EPA feels that to do so would be inequitable to Klockner.

This Revised Bill reflects an amount due of \$7,347.50 plus interest to be calculated by Klockner depending upon the date of payment. Interest is in the amount of \$.67 per day and began to accrue on November 5, 2001, the date on which the costs were due. Payment is due within 5 days of Klockner's receipt of this letter via electronic funds transfer (EFT) to our account at Mellon Bank, Pittsburgh, Pennsylvania.

To make payment via EFT, please provide the following information to your bank:
